30	7	140	18000	Black	Garden Edging Roll, for edging flower beds, paths etc.	RKS07141800	87.75	

Fencing:
We recommend that all holes are spiked or augered first due to the ductile nature of the posts. Bracing by box strainer is recommended
Stapling in colder weather (<15 degrees C) can be difficult - screw-in clips such as **Davo's Fencing Clips** are an alternative
